

SUNDAY SCHOOL REPORT
 CHILDREN'S CHURCH REPORT
 1984

Our Sunday School and Children's Church have struggled through 1984, but we know that when the enemy comes in, like a flood the Spirit of the Lord shall lift up a standard against him. God knows the way that we take and when He has tried us, we shall come forth as gold.

Pray along with us that God will send men and women and boys and girls to us. The Word is here and is being taught by Spirit-filled men and women.

Thank you for your part. Now let us bind together for a real visitation from God. This is our answer.

Respectfully submitted,
 MAE WALLEN, Asst. S. S. Supt.
 Directress, Children's Church
