To The Official Board of  
"Highway Mission Tabernacle"

Greetings in the name of Jesus.

I understand that at a meeting called to decide the eligibility of the Official Delegate to the General Council at Memphis, Tenn., an impression has prevailed that I as Pastor have desired to shew preference for one delegate above another, and that I have instructed you as a Board to select the man whom I preferred.

I beg to apologize for any impression or influence I may have created thru expression of Personal sentiments, and want all the brethren to be fully assured that I do not want to stoop to shew favoritism, and it was not my desire in aught which I have said to reflect upon either of the Brethren for I hold them BOTH in the highest esteem as as my brethren in the Lord, and worthy representatives of Highway Mission Tabernacle.

If I may be so bold as to offer a suggestion may I suggest that Both Bro Zell and Bro Carr be permitted to receive their Credentials of Official recognition, and if there should be any limitations placed upon the number of delegates let the Roster committee at Memphis decide the issue at the time of presentation.

Should the Church or Pastor limit the right of eligibility by classification we would undoubtedly establish a precedent which might be of great injury in the future, so let us by God's grace overlook what has been done and forgive any statements that have been made, and I bear my share of the blame and in humility ask all to forgive for anything I have said or inferred.

As Your Pastor I love all things that make for Peace, and desire to promote Unity and LOVE as much as in me is.

Yours Prayerfully and Humbly.

Pastor W. R. Steelberg.
