Brother Day stated that the meeting was called with reference to the radio situation, that it appeared that the station, WPEN desired the signing of a contract by the Trustees, if they desired to continue the program.

After some discussion, on motion of Brother Hollan, duly seconded, that the Board of Trustees sign the radio contract with station WPEN for one year for Highway Mission Tabernacle, at \$50. for one-half hour." Carried.

Further discussion was had as to handling the correspondence, etc., and it was suggested that C.M. Payne and Madeline Brook take care of this for the time being.

There being no further business, the meeting adjourned.

Respectfully submitted,

Clara M. Payne
Church Clerk
