Dear Sister Payne:

The following is a memorandum of the Board meeting we had last Sunday night, May 18, after the service, around 10:20 I believe.

Due to the fact that the Sunday School would need both superintendents, the more since I would be away for six weeks in the near future, I had asked the Elders to consider the matter with me. This was on Thursday night May 15.

Last Sunday night, the 18th, I asked brother Hollahan if he did not think that we ought to have some explanation to make to the business meeting the following night. He stated that he saw several of the Board Members still at the back of the auditorium, and suggested that we ask them to meet with us for a few minutes which we did. This was about 10:20 p.m., as stated above. I presented the matter to them as outlined above, and recommended that we ask brother Fred Hepworth to supply in the place of brother Joseph Larrimore until he might be able to return to the office as our Superintendent. All of the members present stated that they felt it would be a good thing.

I believe the following to be an accurate list of those present, with the pastor; W.E. Hollahan, Albert Clark, Bob Lafferty, Elmer Day, Tom Griffith, Maud Nethery.

Sincerely in Christ,

*Wallace S. Bragg*

P.S. I did not get the list of those accepted for membership, nor their addresses.
