Dear Sis. Bogdan:

Enclosed is some brief material from the files of Wallace S. Bragg and Fleming Van Meter. There was nothing specific about Highway Tabernacle except the years they served as pastors:

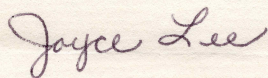

Flem Van Meter 1930-1936
Wallace S. Bragg 1943-1954

Glenn Gohr, here in the Archives, is having the portraits made for you. He'll send them on as soon as they are ready.

I'm sorry there was not more helpful information in the Bragg and Van Meter files.

God bless you richly as you labor for Him in Philadelphia.

Sincerely,

(Mrs.) Joyce Lee
Assistant Archivist
