### THERE WERE FOUR MEN

There were four men fishing in the sea;  
There were four men fishing in the sea;  
When along came a Man, when along came a  
Man, Who called out to the men,

"Follow Me.

O come! O come! And I'll make you fishers  
of men.

Leave your fish, leave your nets,

For My way, it is best!

Leave your boats! Leave the sea!

Follow Me!"

CRAFTS DIRECTOR Mr. Bullwinkle mentioned the population of birds will increase to Central Philadelphia since many bird-houses are being made in Crafts to accommodate them. And William Penn's Greene Towne will increase with plants settling in the plant-holders being made in Crafts.
