MINISTERS--PLEASE READ THIS! Each month we receive letters about the listing of the tithes. As stated in last month's CHALLENGE, we only copy the list and amounts as supplied by the office of the District Treasurer. We may make an occasional error (as everyone might) but we cannot be responsible for the accuracy of amount listed. Always remember that your check to the Dist. Office may have arrived either before or after the Treasurer closed his books for the month listed. This will, of course, make the amount to be different from what you expected to see. The only answer is for you to send your offerings each month on the same day of the month. As far as the listing of the tithes - to which many of the ministers have objected - may we remind you that this is the accepted policy of the Presbytery Board and the listing cannot be eliminated until we are authorized by the board to do so. We understand your problems - but will you spare the Editor and refrain from writing on this subject - please - it will certainly be appreciated.
