THE PÉREZ POST

@BobMichelePerez

DONATE TODAY

Hello again. This is Bob and Michele Pérez.

Because of an incredible invitation by our national superintendent, we started off the year sharing the morning devotional with our national executives in Cuba. After being introduced as the newest addition to the missionary body, our message was, "Kingdom work happens because of our Lord!" As the apostle Paul said, we work, we toil, we fulfill our kingdom mandate, but we can only boast in our weakness. Why? Because Kingdom work depends on the Holy Spirit.

Michele and I have been sitting with numerous pastors drinking much sugar-laden coffee shots. We have talked about life, ministry, and the call of God. We have talked about unfathomable challenges that always serve to remind us of the opportunity for God to show off. And He does! We have yet to preach in a church where the people are not moved to tears. Friend, we need your prayers. We need God more than ever before! We need Holy Spirit power.

How can you pray?

The month of April is now planned out and we will be focusing on promoting Cuban missions in and around the Havana area. We recognize God is building His church, and friend, He is using the Cuban people. If you'll watch the **video link below**, you'll get to see exactly what Cuban missions looks like. No matter where you live, missions requires a God-call, a supernatural God, and obedience.

Would you help us pray for the month of April that more Cubans will respond and that God will continue to show Himself powerful?

Your friends, Bob & Michele
