MALCOLM BURLEIGH, Executive Director of U.S. Missions

January 2023

Dear Pastor and Missions Committee:

We greet you as partners in the Great Commission to reach the United States and the world with the gospel of Jesus Christ!

Our hearts are full of thanksgiving for you and your congregation as you support our missionary family with prayer, financial giving, and sending more laborers to the harvest. We deeply appreciate your support, and we make every effort to wisely steward your missions investment.

Just as inflation adversely affects the American economy, it presents a challenge for missionaries to maintain adequate funds for ministry and living expenses overseas. One way to mitigate the impact of sudden economic fluctuations is to provide an annual wage adjustment to the missionaries you support. Building a 2 percent increase for each missionary unit into your missions budget annually can make a significant difference.

Enclosed is a list of your monthly faith commitments for missionaries. As you review this record, would you prayerfully consider providing an annual wage adjustment to them? If you choose to increase your giving, please indicate the new monthly total for each missionary. Then sign, date, and return the form to AGWM or AGUSM in the enclosed postage-paid envelope. Alternatively, you can update your amounts on the AG Giving site at <giving.ag.org>.

Despite the incredible challenges in our world, our Savior's mandate is as important today as ever. We need your prayer and support to fulfill the mission God has called us to as a Movement.

Thank you for your partnership in taking the gospel to the whole world!

So all can hear,

Gregory M. Mundis
Executive Director
Assemblies of God World Missions

Dear Pastor and Missions Committee,

Many thanks for your continued prayers and support for our missionaries. The World Missions commitment information, which follows, is based on letters, memos, signed commitment forms, faxes, emails and phone calls we have received.

Please review the list below and compare it with your records. If not listed, please add world missionaries or ministries that you are currently contributing to, or would like to contribute to. Information or changes made on the blue and white offering forms are not automatically sent to AGWM. Therefore, we may be unaware of changes in your contributions.

Please consider a cost-of-living increase for your missionaries to help offset the rising costs and the devaluation of the dollar around the world.

Please indicate the new amount of monthly support for each missionary, sign, date and return this form to AGWM in the enclosed postage-paid envelope. If you are unable to give an increase at this time but want new certificates, simply return your signed form. Please allow extra time to receive new certificates due to the volume of responses received.

If you have questions regarding your World Missions commitments, please contact our AGWM commitment specialist, Logan McReynolds, at 417-862-2781, ext. 2072.

Thank you for your faithful prayer and financial support of World Missions and continued missions activities around the world.

Dear Pastor and Missions Committee:

Greetings of grace and peace to you, and to those you serve!

Thank you for your faithful support of our U.S. missionaries and ministries.

Due to the rising cost of ministry, would you prayerfully consider a cost of living adjustment to the financial support you are currently giving?

Enclosed is a list of the U.S. missionaries and ministries you support and the dollar amount you've committed to give each month. If you are able to increase your support, please indicate the new amount you are able to give in the space provided and return this form to U.S. Missions. Upon receiving this form, we will update your faith promise(s) and send you new U.S. Missions faith promise certificates.

If you would like more information, please contact Joseph Burnash at agusmissionsupport@ag.org or 417-862-2781, ext. 3254. May God richly bless you for your kindhearted service and generous hand.
