

After grinding, the fire is necessary for good food

And for good preachers  
the fire is also  
necessary.

**“God send the Fire”**

Not only souls but bodies must also be fed. Here the boys  
are enjoying their favorite meal, rice and curry. Silverware  
is no problem here, as true to South Indian customs, the  
Boys all eat with their fingers.

These boys do it with a grace that makes it seem very  
natural and easy.
