

From the Pastor

Highway Tabernacle observes its 75th Anniversary. These past years have been marked with the rich blessings of the Lord.

It is not possible to say how many over these many years have found Christ at the altars of this church; neither to report how many have been filled with the precious Holy Spirit. Scores of young people have heard and answered the call of God to their hearts, and over the years have served as pastors, evangelists and missionaries. Thus the ministry of this church has had a far-reaching effect—only eternity will reveal the overall results.

One thing that has characterized this church through the years is its missionary vision, both at home and on the foreign field. May we never

lose the burden for lost souls—and may we never lose from our giving the spirit of sacrifice.

The Church of Jesus Christ has a three-fold purpose in its ministry—the winning of the lost; the training and perfecting of the saint, and to worship God. Highway Tabernacle over the years through its ministry has ever been aware of this three-fold ministry. The work of the Lord is the most important work that any man can be engaged in. We here in Highway Tabernacle on this our 75th Anniversary, rededicate ourselves to this great and glorious task which has been assigned to us by our risen, glorified and ascended Lord.

Brethren pray for us,

W. HOWARD ROBERSON, *Pastor*
