The Minutes of the previous meeting, held January 30th, 1939 were approved as read. This was followed by the Treasurer's report, duly accepted as read.

Both Flower and Membership Committees were called on for their reports, but they did not have anything of especial interest to submit.

A motion was made to dispense with the June meeting of the Ushers Association, and the election of officers which was to take place at that time, be taken care of at the meeting held on May 5th. Motion duly carried.

Before this election took place both brother Benckert and Bro. Geo. Jarratt requested that their names be withdrawn as they had already served several terms and felt some one else should be given a chance. Their wishes were honored, and the following were duly elected;

- Bob Lafferty - president
- Allan Hummel - Vice President.

their terms to begin as of July 1st for six months.

The question of funds in the treasury was next under discussion. A motion was made, duly seconded that the funds be maintained at a \$15.00 maximum, and any amount over that figure to be dispersed at the discretion of the Ushers.

After the usual order of business was dispensed with the meeting was thrown open for general discussion. The ushers were again reminded that it was their duty to make strangers feel at home when they enter the church, not only by promptly escorting them to their seats, but also passing on a friendly greeting when they enter or leave the church.

Another matter brought up was the question of supplying seats for the young people in front of the church, especially those playing in the orchestra. Different suggestions were offered, one of which was that the pastor be asked to announce that certain seats were reserved for members of the orchestra as well as other young people who are seated at the front.
~~The ushers were asked to make arrangements for the young people to be seated at the front.~~

As there was no further business the meeting adjourned with closing word of prayer.
