

A meeting of The Board of Trustees was held May 3, 1955. Those present were Bros. Tom. Griffith, Chas, Mc Pherson, Oscar Schmiel, Dick Ambrose, Elmer Day and Allan Dron. The meeting was opened by prgr lead by Dick Ambrose.

Bill for the repairing of the pianos was presented, \$110.70, also that the Sunday School Dept had given \$75. towards this.

The House Committee reported that the locks on the organ had been installed.

It was decide that those who want to use the organ are to be screened thru Sister McDowell, Therefore, it was moved by Elmer Day and seconded Dick Ambrose that:-

"The keys be issued to qualified individuals by the Music Comm. and passed upon by The Board of Trustees. The holder of the key to sign receipt and also agree not to have duplicate mad, nor let key out of his or her possession. He or she shall also be instructed by Bro. Oscar Schmiel as to to proper use of locks. Only those holding key to play organ."

There was a discussion in reference to a parsonage also that a list from the Real Estate were presented for our consideration. The new pastor expects to be here the week of June 5. A special Committee is working on this subject.

There was a discussion as to the Pastor's salary, but no decision as to the stated amount was arrived, because at that time the Board of Elders came in and met with us for the balance of the meeting.

They (The Board of Elders) offered the following suggestions, but no action was actually taken upon any of these.

1. The matter of the Church Bulletins was to be brought up at the next regular Congregational meeting.
2. That the signs for Street Meetings are to be paid by The Board of Trustees.
3. That Articles of Faith be printed and given to every one seeking Church Membership with us. (about 500 to be printed)
4. That there should be a regulated, basis of the amount to be given to Missionaires who are asked to speak.
5. That the DVES, be held in the evenings instead of during the day time.
Much discussion on this was held.
6. That some one should look into the matter of the way Bro Garfield is using the name of Highway in conjunction with commercials over his broadcast on Saturdays.

The meeting was adjured

Yours in Christ.
