

A meeting of The Board of Trustees was held in the Church on September 17, 1957.

Those that were present were Bros: Roberson, Griffith, Ambrose, McPherson, Simokat, Schmiel and Dron.

The meeting was opened with prayer by Bro. Roberson.
The Treasurer's report was read by Bro. Dron.

A discussion was held regarding the seeding and cement work to be done for the new Parsonage. Bro. McPherson made a motion which was seconded by Bro. Simokat, that the cement work be completed as soon as possible, also that an advance of \$100. be made for this work to Bro. Ambrose.

In regards to the selling of the old parsonage, Mr. Kemner requested that he be relieved of the selling and that it be turned over to another Real Estate, preferable a local man. Bro. Griffith stated that he had already contacted Emlen Real Estate Office,. They would be willing to take over, but first they would like to appraise the property and then submit a report of their finding. A motion was made by Bro. Ambrose and seconded by Bro. Roberson that Mr. Kemner be relieved and that The Emlen Real Estate take over the selling.

Bro. Roberson showed us a personalized Church Bulletin (ie showing a picture of the Church in color). He said by using this bulletin a saving of about \$15 a year could be realized. This proposition was accepted by us all and the contacting for the purchasing be left up to Bro. Roberson

A discussion was held regarding the Church envelopes for next year. Since Bro. Day was absent, he would have to be contacted, because he had already placed an order. These envelopes are to have two sides, one for the general fund and the other side possible for Missionery, or Building Fund.

It was suggested that on Thanksgiving Day an appeal be made for the building fund, possibly using the offering of one or two of the Services for this purpose.

The meeting was closed by prayer.

Allan H. Dron. Secty.
